

WHAT'S COOKING IN THE KITCHEN...

COULD SERVE YOUR FAMILY
HUNDREDS IN EXTRA \$.

**Text "BENEFITS"
to 211-211
and start using
the free screener
to save money
and get the
benefits you
deserve.**

Millions of dollars in public benefits go unused in Tennessee every year. But United Way has a new, easy-to-use service that can help your family access the benefits you need.

Benefit Kitchen is a free screener you can use to learn about federal, state, and local public benefits in Tennessee. It helps residents learn their eligibility for benefits including TennCare, food stamps, utility assistance, tax credits, and more. The screening is free and we will never ask you for your name, address, or SSN.

Does Benefit Kitchen work on Apple and Android devices? Yep. Just text BENEFITS to 211-211.

How can I get started?

Getting started is easy. Just text BENEFITS to 211-211 and answer a few questions.

How long does it take to do a screening? Learning what benefits you qualify for takes less than 10 minutes. And it's anonymous, No social security number or personal information.
